

Join the Forever Gathering Society

We believe that food is a basic human right. Yet, too many of our neighbors struggle to put food on the table.

When you make a planned gift to Food Gatherers, you help ensure that everyone in Washtenaw County has access to nutritious food when they need it.

You legacy nourishes the future of our community.

A planned gift to Food Gatherers provides us with the confidence and means to innovate and adapt to the future. With your help, we can continue rescuing and distributing nutritious food.

Your planned gift can be tailored to meet your financial goals, whether you are looking for steady income now or seeking to reduce the tax burden on your heirs. No matter the size of your estate or financial goals, a planned gift can provide significant tax benefits.

In an ever-changing world, your legacy gift invests in a resilient food safety net, ensuring that Food Gatherers will always be here to support a healthier community in Washtenaw County.

Large or small, your planned gift fights hunger where we live.

Your Planned Gift

Helps Programs Grow

Food Gatherers operates four major programs that feed our community:

- Community Kitchen
- Summer Food Service Program
- Healthy School Pantry Program
- Neighborhood Grocery Initiatives

Every year, these programs expand and serve more people. Your planned gift supports growth!

Strengthens Our Network

Food Gatherers partners with 140 programs and agencies throughout Washtenaw County. These partners, both large and small, distribute food directly to individuals and families.

Your planned gift ensures we have the capacity to fulfill the needs for each partner, sustaining a reliable network of food throughout our community.

Feeds Our Neighbors

Most importantly, your planned gift will put food in the hands and homes of our community members for generations to come.

Food Gatherers will always prioritize healthy food, which is often more expensive but truly critical to a healthy life.

As we nourish our neighbors, we strengthen the cities we live in and empower everyone to thrive and excel.

Types of Planned Gifts

Wills and Living Trusts

A charitable bequest through your will or estate is the easiest way to make a planned gift. Providing for Food Gatherers through your will or trust won't cost you a penny in your lifetime, and you retain complete control over your assets.

This type of planned gift provides the flexibility to easily change your donation in the event that life circumstances change.

Including Food Gatherers in your will and/or trust is as easy as adding the following language:

"I give, devise, and bequeath [percent of estate or dollar fixed amount] to Food Gatherers (Tax ID Number: 38-2853858). Food Gatherers is located at 1 Carrot Way, Ann Arbor, MI 48105."

Beneficiary Designations

You can name Food Gatherers as a beneficiary in:

- IRAs and retirement plans
- Life insurance policies
- Donor advised funds
- Commercial annuities

To add Food Gatherers as a beneficiary, start by requesting a change-of-beneficiary form from your policy administrator. Make your desired changes and return the form to establish your gift.

Charitable Gift Annuities

There is a way for you to support Food Gatherers and feel confident that you have dependable income in your retirement years. With a charitable gift annuity, you agree to make a gift to Food Gatherers and we, in return, agree to pay you (and someone else, if you choose) a fixed amount each year for the rest of your life. The balance is used to support our work. Feeding America offers a program assisting with these planned gifts.

While these are popular types of planned gifts, there are other options that may better suit your needs. Please consult with a financial planner or attorney when considering a planned gift.
